The Theme WHAT is the idea? A theme is a main idea, message, or moral of a story. The message may be about life, society, or human nature. For instance, from The Three Little Pigs we learned about the importance of planning a project well. We know this, because we learned that building a brick house works, while building a straw house is not a good idea. So, we can state that one theme for The Three Little Pigs is that good planning can lead to success.
